My dear Wood:

Your postal is at hand and I would say the Zodiacal pieces were bought in by Low at $330, of course, he may have had an order but I believe he was limited. I sent him a bid of $261. I think they would have sold better separately, but of course under his agreement he was obliged to put them up in a lot.

Whenever you get time, you do not need to hurry, I shall be pleased to have you write up the coat of arms.

By the way, I expect to be in Boston Tuesday, tomorrow, and will call upon you at about 2 o'clock.

I attended the last mee ting of the N.Y.N.C. and have a couple sets of tickets for the Convention which I took for you and which I will explain to you when I see you.

Very truly yours,

Elmer S. Sears
